

GLOBAL ORPHAN RELIEF COVENANT **House of Faith - CHILD SPONSORS**

Global Orphan Relief is excited to have you as a sponsor for [REDACTED].

Our desire is to allow you to connect with this child, and plan to provide you periodic updates throughout the year. We thank you for the financial support for this child, which will cover [REDACTED] to [REDACTED]. You are committed to providing the \$50 monthly, for 12 consecutive months, on the _____ of each month. Furthermore, you will be forwarding your payment via [REDACTED] each month.

Our desire is to provide loving support for this child -fostering a greater capacity for physical, spiritual, and emotional healing and growth. We hope that you can develop a dynamic and fluid connection with this child that will motivate you to continue your demonstration of *faith with action*, pouring out an everlasting hope, and expressing God's love as you serve these vulnerable children with your financial support.

As a group, we wish to encourage one another, and to support the activities for the further development of these children.

As an active participant with Global Orphan Relief, we would ask you to do the following:

1. Be in prayer for the child you sponsored, and for the other children at their assigned home.
2. Be committed to this child with prompt payment of support.
3. Consider furthering your commitment to serve orphans through support for the Global Orphan Relief with prayer, volunteering of time, and or additional financial giving.
4. Network with those who have potential to have an impact on this organization through your sphere of influence and beyond by presenting the opportunity to support GO! Children.

We thank you so much for your participation, and together we are making a difference!
